ABOUT US

We are a team of well-experienced Research Directors who have accomplished over 100 research works, part-time Consultants and paid-based volunteers who possess extensive experience in research and M&E assessment activities in Myanmar.

WHAT WE AIM

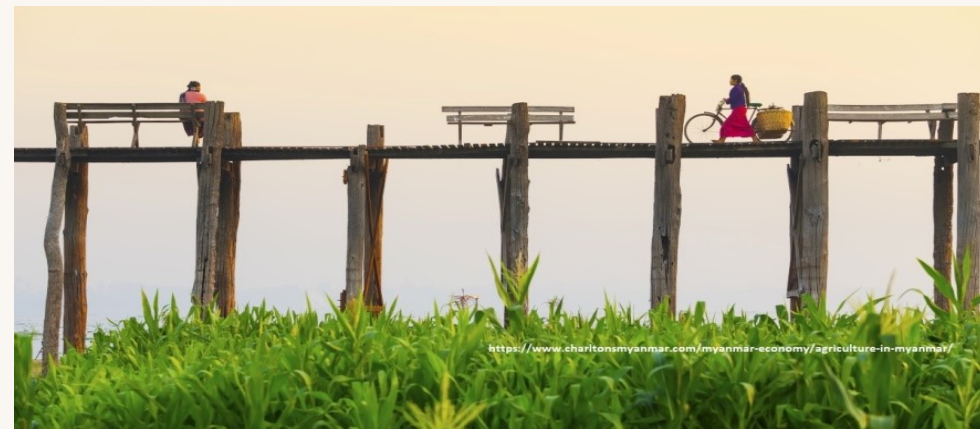

We would like to contribute our knowledge and skills to Civil Society Organizations (CSOs), Community-Based Organizations (CBOs), and Non-Governmental Organizations (NGOs) by maintaining/strengthening/improving research and data management capacities. We envisage not only the strengthening the research and assessment capabilities of these non-profit organizations in Myanmar but also visualizing our own social enterprise model.

OUR EXPECTED CLIENTS

The target organizations for our services are CBOs, CSOs, and NGOs in Myanmar requiring different types of project assessments, Monitoring, Evaluation, Accountability, and Learning (MEAL) framework development etc.
